### Saturn Certified PreOwned

At Saturn, we believe that the quality of our Certified PreOwned vehicles should live up to the high standards we set for our products. Not only can you enjoy the same sales process when buying a Saturn Certified PreOwned vehicle as you do when you buy a new Saturn vehicle, but now you'll have the confidence of being covered by the same 5-year / 100,000-mile powertrain limited manufacturers warranty.<sup>2</sup>

- ◇ Certified Inspection

### CERTIFIED INSPECTION

Before we offer preowned Saturn vehicles for sale, expert service technicians perform a comprehensive inspection to confirm it meets Saturn's high standards.

Certified inspection includes, but is not limited to:

- Full engine inspection
- Brakes and brake pads
- Heating, ventilating and air-conditioning systems
- Steering and suspension
- Exterior for dings, dents or scratches
- Exhaust system
- Exterior and interior cleaning
- Seatbelts, headrests and child-safety features
- Brake lights, headlights and hazard lights
- Stereo system
